

Market Stall Hire

Cotswold Markets is one of the UK's leading market operators and stall hire companies. The company was formed to bring together Grenchurch Markets, with over 30 years experience as one of the leading market operators in the country in retail, craft and farmers markets, and Dave Joynes Market Services which ran as one of the largest suppliers of market stalls in the UK, working as far north as Edinburgh and as far south as Brighton.

With both companies now operating under the name of Cotswold Markets, we have a number of fantastic trading opportunities at any of our regularly operated retail, craft or farmers markets. We also have everything you need in terms of stall hire to make your event the biggest success it can be.
